Stars of Calcareous

2021 Très Violet
2021 Estate Syrah
2021 Moose

Each having earned impressive 94-point scores from *Wine Spectator*, this trio is a testament to exquisite terroir and artistic freedom. Très Violet, our flagship Rhône blend, is a charismatic beauty that embodies both grace and power. Our Estate Syrah is a single varietal wine that unifies the unique clones, aspects, and soils found in each of the four Syrah blocks spread out across our estate. Moose, our Syrah and Petit Verdot blend, is adorned with our founder's work boots on the label which perfectly depicts the strength and depth of character that define this wine.

Cab Duo

2021 Estate Cabernet Sauvignon
Calcareous Vineyard

2020 York Mountain Cabernet Sauvignon
Carver Vineyard

These gems brilliantly reflect our two distinctive vineyards. Calcareous Vineyard in the Paso Robles AVA boasts richly-calcareous soils, steep hillside topography, and regulating maritime influence, producing Cabernets of uncommon character and beauty. Carver Vineyard is located just to the west, in the York Mountain AVA where the cooler, wetter climate and heavier clay soils produce a uniquely structured wine with subtle herbaceous notes that make this a favorite of classic Cabernet enthusiasts.

Limestone: \$102.00
Connoisseur: \$96.00
Sommelier: \$90.00

Estate Duo

2021 Estate Cabernet Sauvignon
2022 Estate Chardonnay

Calcareous vineyard was established specifically to grow exceptional Cabernet Sauvignon. Our unique combination of soil and climate enhance both the fruit and structural elements of this noble cultivar, resulting in one of the top Bordeaux wines out of Paso Robles. Perhaps the greater testament to our terroir, however, is our Estate grown Chardonnay. Despite the warm, dry climate, this Burgundian varietal thrives in our calcareous soil. Maintaining incredible acidity and the structural backbone of world class Chardonnay, we achieve fruit of extraordinary clarity and purity.

Perennial Favorites

2022 Lily Blanc
2021 Très Violet
Handcrafted Soy Wax Candle

This elegant duet of Estate blends marries graceful Rhône style with the beauty of Calcareous Vineyard. Lily Blanc's Grenache Blanc adds mid-palate depth to Roussanne's full-bodied golden richness. Picpoul, French for "lip sting" offers a beautifully clean and refreshing finish allowing this blend to embody the full gamut of white wine experience. In our Très Violet, we've combined the boldness of Syrah, spice and leather from Mourvèdre, and bright fruit of Grenache for a charismatic result. The handcrafted soy wax candle in a recycled Calcareous bottle brings a warm glow and a delicate fig & brown sugar aroma to the holiday season.

Library Release

2011 Très Violet
2012 Estate Syrah, Devil's Canyon
2014 Moose

These cellar-aged vintages offer a window into the past and illuminate the bright future of our incredibly ageable wines. The 2011 Très Violet was born from harsh conditions that only enhanced our vineyard's signature on this Rhône showpiece. Our 2012 Syrah is from Devil's Canyon, the steepest, chalkiest and most sun-drenched slope of our Estate, which consistently earns our most prestigious accolades. And the 2014 Moose, having also earned high praise from *Wine Spectator*, is part of a long line of award-winners that has only improved with age.

Retail: \$320.00
Limestone: \$272.00
Connoisseur: \$256.00

Lloyd Library Vertical

Lloyd Messer always envisioned Calcareous to be a classic producer of Bordeaux varietals, and this Estate blend is an annual confirmation of that vision. Our Cabernet Sauvignon, Merlot, Cabernet Franc, Malbec, and Petit Verdot are testaments to our site's ability to produce transcendent examples of a wide variety of grapes. Like his ever changing nicknames on the labels, each vintage is different, but always distinctively Lloyd.
